

# There is no Silver Bullet for Food Waste

Aqua Enviro – Future Options for Food Waste

Simon Webb, Managing Director, Tidy Planet Ltd.

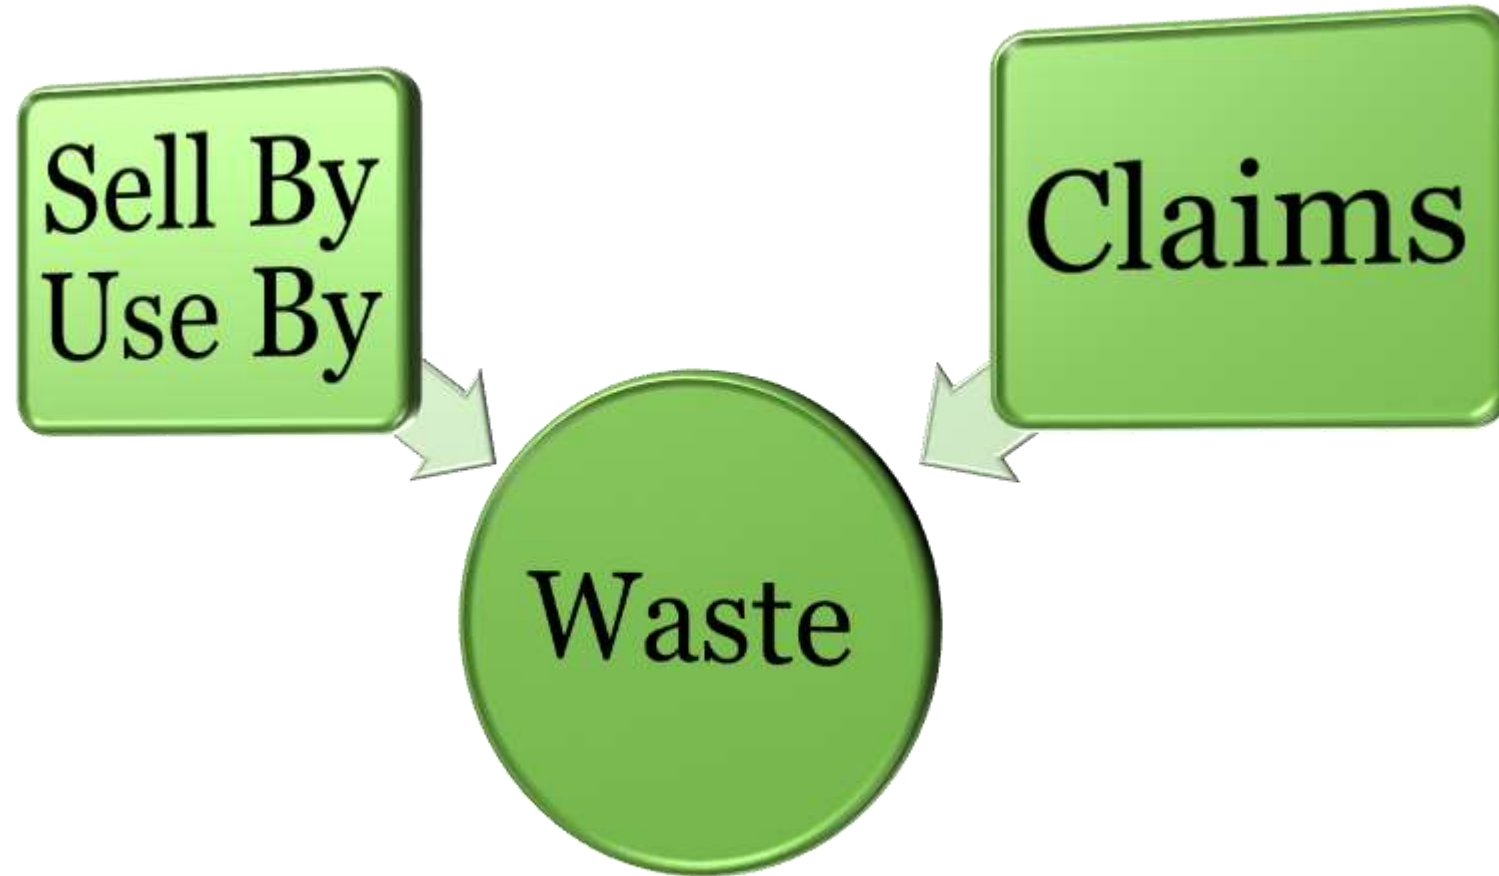

# Why do we waste so much food?

The 3 Deadly Sins!

# The Three Deadly Sins – FEAR

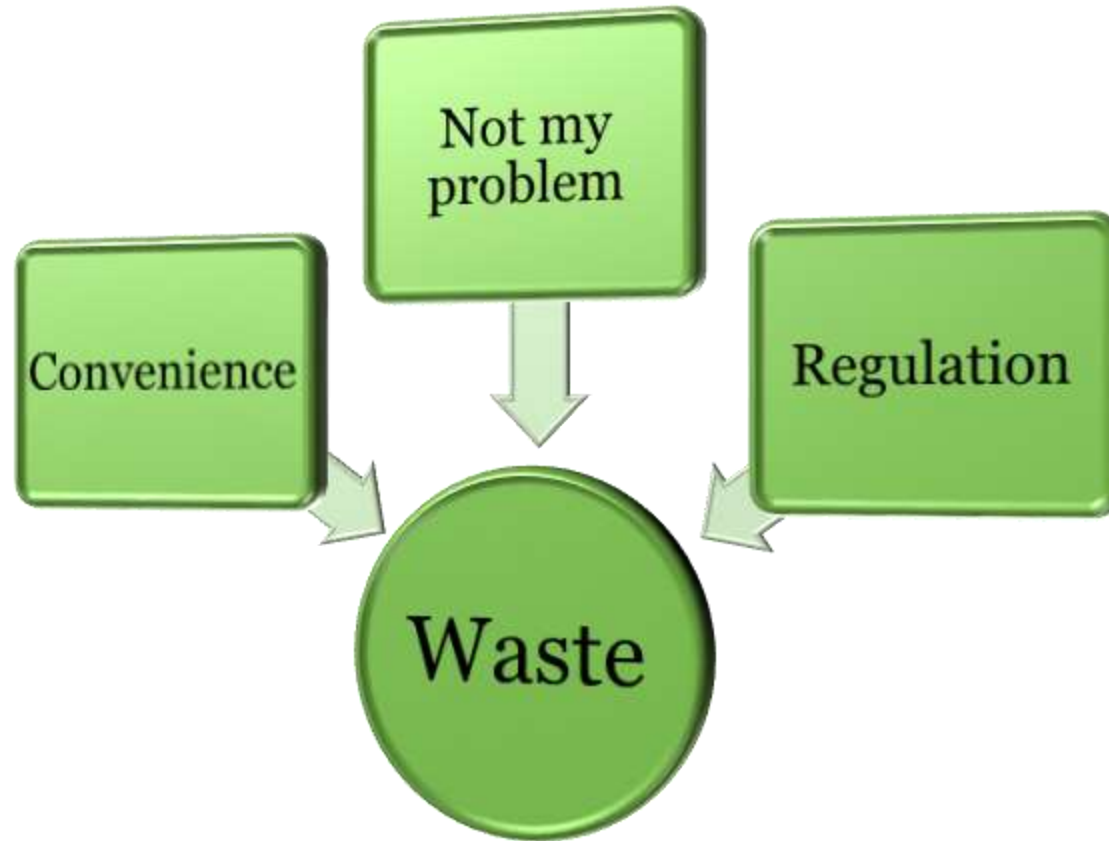

# MailOnline

- We ignore expiry dates on our own food': Supermarket bosses admit they don't pay attention to 'ridiculous' labels on the food in their own fridge
- Average family could save £60 a month by reducing the level of food waste
- Tesco admitted dumping 30,000 tonnes of food during first six months of 2013
- Supermarket chief Dalton Philips admitted subjecting food to a 'smell test'

- STORE TO ONLY SELL RECENTLY EXPIRED FOOD
- It's a different type of grocery store that will sell recently expired food at a deeply discounted price.
- according to a recent study, 40% of food produced in the USA is dumped in the trash every year. \$165 billion worth of edible food, tossed out.
- Outside Boston, new store to open: The Daily Table. Nonprofit store will collect, then sell what other grocers won't. it will also prepare hot meals. The concept may be difficult for some to swallow.
